

Question one

Respect for Diversity

Please tell me about a time when you disagreed strongly with someone else's point of view over an issue that was important to you.

Probes:

- What did you do?
- Why did you take that course of action?
- What factors did you consider?
- What was the outcome?
- Is there any further detail you can give?
- You still have time remaining in your five minutes, is there any further information you would like to give about this example/situation/incident?

If they finish with time to spare:

"If you have finished, we will go on to the next question".

If they over-run the time:

"I'll stop you there and we will move onto the next question".
